

Lucille

Little Richard

Lucille, you won't do your sister's will
Lucille, you won't do your sister's will
You ran off and married, but I love you still

Lucille, please come back where you belong
Lucille, please come back where you belong
I've been good to you, baby; please don't leave me alone

I woke up this mornin', Lucille was not in sight
I asked her friends about her but all their lips were tight

Lucille, please come back where you belong
Lucille, please come back where you belong
I've been good to you, baby; please don't leave me alone

I woke up this mornin', Lucille was not in sight
I asked her friends about her but all their lips were tight

Lucille, please come back where you belong
Lucille, please come back where you belong
I've been good to you, baby; please don't leave me alone

Lucille, baby, satisfy my heart
Lucille, baby, satisfy my heart
The place I went to, baby
It gave us such a wonderful start
