Lucille

Little Richard

Lucille, you won't do your sister's will Lucille, you won't do your sister's will You ran off and married, but I love you still

Lucille, please come back where you belong
Lucille, please come back where you belong
I've been good to you, baby; please don't leave me alone

I woke up this mornin', Lucille was not in sight
I asked her friends about her but all their lips were tight

Lucille, please come back where you belong
Lucille, please come back where you belong
I've been good to you, baby; please don't leave me alone

I woke up this mornin', Lucille was not in sight
I asked her friends about her but all their lips were tight

Lucille, please come back where you belong
Lucille, please come back where you belong
I've been good to you, baby; please don't leave me alone

Lucille, baby, satisfy my heart Lucille, baby, satisfy my heart The place I went to, baby It gave us such a wonderful start
