I Think I Left My Heart With You

Little River Band

I hope it's not too late to call I couldn't wait a moment more I don't know what else to do I need to ask a favor

Check behind each of your doors
Search throughout your rooms and halls
Secret corners, look there too
I think I left my heart with you

Don't forget to remember Cos you're always on my mind I don't care if I've lost my heart this time

If you find it keep it safe
Wrapped within your warm embrace
I could be wrong, that's nothing new
But I think I left my heart with you

Don't forget to remember
Cos you're always on my mind
I don't care if I've lost my heart this time
I'm not beggin' but

Maybe you could be so kind To make a home for this heart of mine Maybe I could live there too I think I left my heart with you

Think I left my heart I think I left my heart with you
