

# Man On Your Mind

Little River Band

I can feel it floating away  
inch by inch, day by day  
Love boat set itself free  
Castaway, slipping out to sea

I can feel it coming adrift  
Even a blind man could see the rift  
From an ocean liner  
To a Chinese junk  
There ain't been a ship  
that can't be sunk

I used to dream it could last forever  
But pipedreams never come true  
I'd be foolin' myself if I never  
thought something like this  
couldn't happen to you

I said baby  
You've got a man on your mind  
You've got a weight on your shoulders  
How you ever gonna find  
the words to say goodbye?

You don't know  
just what you got  
till it's gone  
I guess you heard that a lot  
but it's true  
It's not just a game  
You can't change your life  
by changing your name

It's not something you can hide away  
Sooner or later it starts to show  
It's written on your face  
you've been betrayed  
Do you really believe  
that I don't know?

I said baby  
You've got a man on your mind  
You've got a weight on your shoulders  
How you ever gonna find  
the words to say (goodbye)?

He's already fallen  
so it's no use to fight  
And if he starts callin'  
let him know you're with me  
for the rest of the night

Ooh I said baby  
You've got a man on your mind  
(Got a man on your mind)  
You've got a weight on your shoulders  
How you ever gonna find

the words to say goodbye?

Baby (Please listen to me baby)  
You've got a man on your mind  
(Gotta get that man off your mind)  
You've got a weight on your shoulders  
How you ever gonna find  
the words to say goodbye?

Baby (ooh baby baby baby)  
You've got a man on your mind  
(You got that man on your mind)  
You've got a weight on your shoulders  
How you ever gonna find  
the words to say goodbye?
