

# Masters

## Local Natives

Do you feel like a shit turning up sometimes?

(Ahh)

Just pierce through the jungle of your mind

(Ahh)

Do you feel like a shit turning up sometimes?

(Ahh)

Just pierce through the jungle of your mind

(Ahh)

Stay, I'll make sure you're safe

I don't wanna change

I love you this way

And I love you right now

Ahh, ahh

Ahh, ahh

Ahh, ahh

Ahh, ahh

Heard they're still playing songs on the radio

(Ahh)

Your kids won't know what the thing was for

(Ahh)

Stay, I'll make sure you're safe

The masters won't change

And I love you this way

And we're all masters now

Ahh, ahh

Ahh, ahh

Ahh, ahh

Ahh, ahh

Are you afraid to call yourself a feminist?

All the losers complaining, "I don't have time for this"

Safe, your common mistake won't make you feel safe

The masters won't change

And we're all masters now

Ahh, ahh

Ahh, ahh

Ahh, ahh

Ahh, ahh
