## **Stranger Things**

## **Local Natives**

Cold toes, new sheets Welcomed all the same We know if we go It's only temporary

Went away, holiday Wish they'd linger on They'll think what they will We'll stay where we have gone

The glaring lamp's on Her job is well done Half asleep, I'm only half won

Old sheets, warm toes Look away as I leave New light lays bare Holds my guilt up to me

I'll toast three cheers And for work we'll sing Back to what we do I've heard stranger things

So turn the lamp off My wandering eyes stop Endure the thoughts of And start where you love

We'll start from where we last left off The lines that we'll draw Begin and don't stop The corners approach We'll take the best turns The bends have brought talk Of what we have learned Enjoy the chance of Frozen new grounds Everything's odd With beautiful sounds I've learned to smile Without a bearing At least I know I've heard stranger things
