

Amazed

Lonestar

G **D**
Everytime our eyes meet, this feeling inside me
Em **C**
Is almost more than I can take
G **D**
Baby when you touch me, I can feel how much you love me
Em **C**
And it just blows me away
B **F**
I've never been this close to anyone or anything
Gm **Es**
I can hear your thoughts, I can see your dreams...

C **G**
I don't know how you do what you do
Am **F**
I'm so in love with you, it just keeps getting better
C **G** **Am**
I wanna spend the rest of my life with you by my side
F
Forever and ever
Es **F**
Every little thing that you do
G
Baby I'm amazed by you.

G **D**
The smell of your skin, the taste of your kiss
Em **C**
The way you whisper in the dark
G **D**
Your hair all around me, baby you surround me
Em **C**
You touch every place in my heart
B **F**
Oh, it feels like the first time everytime
Gm **Es**
I wanna spend the whole night in your eyes...

C **G**
Every little thing that you do
Am **F**
I'm so in love with you, it just keeps getting better
C **G** **Am**
I wanna spend the rest of my life with you by my side
F
Forever and ever
Es **F**
Every little thing that you do
G
Baby I'm amazed by you.
