

Are You Dreamin' (Money In My Pockets)

Looking Glass

Sweet dreams, my lady
If you should dream of me
What kind of man would you have me be?
Would I be a rolling stone
Rolling from town to town to town?
Would you steal my heart and make me settle down?

Do you see me as I am?
Just another music man
So in love with you

Would I be a movie star
With a fancy car and a pretty face?
Could your lovin' keep me in my place?
Or would I be a broke-down rambler
Would you take me in?
Would you put me back up on my feet again?

Or do you see me as I am?
Just another music man
So in love with you

Are you dreaming?
Are you dreaming of me?
Are you dreaming of me now?
Sleep tight, my lady
I hope that all your dreams come true
But up until the time they do

Yes, will you take me as I am?
Just another music man
(So) So in love with you
I'm in love with you
(So) So in love with you
