

## Wait

## Looking Glass

Don't say yes, don't say maybe  
Don't say nothin' 'til you hear from me  
I know him, he's driving you crazy  
Tell him I said to let you be

'Cause you gotta wait  
'Til I'm home again  
'Til I'm standing by your side  
(Darling, will you wait) Hold on  
( 'Til I'm home again?) Hold on  
I can keep you satisfied

If you try, you can take it  
I know you, girl, I know you can  
If you hold on, you can make it  
Tell him nice, but make him understand

That you gotta wait (Wait)  
'Til I'm home again (I'll be coming home)  
'Til I'm standing by your side  
(Darling, will you wait) Hold on  
( 'Til I'm home again?) Hold on  
I can keep you satisfied

I know it's hard when I'm not near you  
I know what it's like to live alone  
When you cry, I can hear you  
I'm not really far from home

So you gotta wait (Wait)  
'Til I'm home again (I'll be coming home)  
'Til I'm standing by your side  
(Darling, will you wait) Hold on  
( 'Til I'm home again?) Hold on  
I can keep you satisfied

(Wait) Hold on  
(Wait) Hold on  
(Darling, will you wait?) Hold on  
(Wait) Hold on
