

Spacy Bitch

Lords of Acid

Love Me, Love Me, Love Me
Love Me, Love Me, Love Me

Down on the floor, you bitch, you spacy slut
Pumpin' vibrator of another kind

Don't try to tell me that you're real you bitch
You bodyshaker
Don't try to tell me what you feel, you witch
Your pussy is pumping like a UFO

Love Me, Love Me
Come on
I want your body, I want your body, I want your body
Give me what you got Earthman

Don't make me tell you that I love your shit
You fucking spacer
Don't try to fool me with your extra tit
Pumping vibrator of another kind

Love Me, Love Me
Come on

I want your body, I want your body, I want your body
Give me what you got Earthman

Don't try to fool me with your viscious tricks
You troublemaker
Don't try to give me that romantic shit
My life's a fast train and I'm rolling on.

Love Me, Love Me
Come on
