

Superstar

Lords of Acid

I'm gonna be a superstar
I'm gonna drive a supercar
I'm gonna be famous and get rich
Gonna turn into a superbitch
Gonna have tons of bodyguards
Gonna use gold creditcards
I'm gonna flirt with Sly Stallone
I'm gonna be hot like Sharon Stone

I'm gonna buy myself some tits
If it'll help me get big hits
I also want another nose
Brandnew cheeks, first class bones
I'm gonna be a VIP
I'm gonna be the star on MTV
On the cover of a magazine
Gonna be famous, gonna be seen

A diamond ring, Mercedes Benz, a swimming pool, a guarded fence
A private gym, a nose job, a supersexy bodyguard
A furry coat, a great big yacht, a golden watch, a film award
A millionaire, a private jet, a fancy big waterbed

I wanna have my private shrink
And olives in my cocktail drink
I'll smoke a spliff with Clinton Bill
The White House'll be my place to chill

Superstar, superstar
That's what you are, a superstar
