

Easy Street

Loretta Lynn

From that small town in Eastern Kentucky
To this big mansion here in Tennessee
Oh and I stuck with him till things got better
But now between the country club and this empty bed
I'd like to start all over again

'Cause now here we are on Easy Street
With everything but what we need
That's not the way it started
No, that was not the dream we had
'Cause it's always been just you and me
Now here we are on Easy Street
But baby, where's our love?

Yes, it's always been just you and me
Now here we are on Easy Street
But baby, oh baby, where is our love?
Where is our love?
