

# I Won't Forget You

Loretta Lynn

I know that I won't forget you  
For I've loved you too much for too long  
Though you don't want me now I'll still love you  
Till the breath in my body is gone

That's how it is with me and you'll always be  
The only love I ever knew  
I'll forget many things in my lifetime  
But darling I won't forget you

That's how it is with me...
