

## Jackson Ain't a Very Big Town

Loretta Lynn

Tonight at night we get married my friends all say it's a shame  
and disgrace  
And he's loved every woman in Jackson oh but Jackson ain't a ve  
ry big place  
Tomorrow we'll go walkin' I count each one with a tear on her f  
ace  
Then I'll know just how many think I'm lucky cause Jackson ain'  
t a very big place  
Jackson is a mighty small town where the gossips and the rumors  
go round  
But the gossips are the ones he turned down and Jackson ain't a  
very big town

Jackson is a mighty small town...
