

Naked in the Rain

Loretta Lynn

Rain, rain, I wish that you could wash away my heartaches
Rain, rain, I wish that you could wash away the pain all over me

Yes, if you could, I wish you would fall down every day
And I'd go runnin' naked in the rain
Yea, I'd go runnin' naked in the rain

Rain, rain, I wish that you could wash away my sorrows
Rain, rain, I wish that you could wash away a bad memory
Yes, if you could, I wish you would fall down every day
And I'd go runnin' naked in the rain

I can just see me runnin' so freely
Feeling the raindrops taking my troubles away

Rain, rain, I wish that you could wash away my heartaches
Rain, rain, I wish that you could wash away the pain all over me

Yes, if you could, I wish you would fall down every day
And I'd go runnin' naked in the rain
Yea, I'd go runnin' naked in the rain
