I Can't Make It Alone

Lou Gramm

Now you know me
You know how proud I am
And what I'm gonna tell you now
Won't be easy to say Before I left your side
Ooh, I was so happy then
But I've been so lonely
Since I've been away
Oh, baby I've tried and I know I can't make it alone
It's such a hard way to go
I just can't make it alone
There's something in my soul
That will always
Lead me back to you What can I say now? Sorry is just not good
enough
I couldn't blame you if you hurt me now
The way I hurt you then But who else can I turn to? Oh, baby, I
'm begging you
Won't you reach out for my dying soul? And make me live again
Oh, baby, it's so hard I've tried and I know I can't make it al
one
It's such a hard way to go
I just can't make it alone
There's something in my soul
That will always
Lead me back to you Baby, help me
I've tried and I know I can't make it alone
It's such a hard way to go
And I can't make it alone
There's something in my soul
That will always
Lead me back to you Oh, help me(Please help me)You know I need
you(I need you)I'm saying that I need you
I just can't make it by myself(I just can't make it by myself)I
 just can't make it all alone(I just can't make it all alone)I
