Christopher Columbus discovered America found he had a cornucopia Gave love to the Indians, they gave it back a pow wow in the teepee is where it's at

```
I want to dance with you I want to dance with you I want to dance with you I want to dance with you
```

The Indian fought with his arrow and bow till General Custer lost to Sitting Bull Scalped all day and scalped all night give me fire water, gonna buy me a wife

```
I want to dance with you I want to dance with you I want to dance with you I want to dance with you
```

When your people first moved to our block our ancestors met with culture shock Two different monkeys from two different trees come on let's stop our fightin' and come dance with me

Come on dance with me come on and dance with me 'Cause I really wanna dance with you I want to dance with you come on and dance with me
