

## Ace in the Hole

Loudness

Traveling through the world  
With these gypsies  
I sing to the crowds  
Like a well oiled machine  
I give to you  
Ain't got a lot, but what I got  
I save for you

It's an...

Ace in the hole  
Ball in the glove  
Arrow on the bullseye  
I gotta whole lotta love

You go thru the day  
Paving your own way  
your sisters and your brothers  
end up back this way  
Ain't got a lot, but what I got  
I give to you  
Ain't got a lot, but what I got  
I save for you

As long as you will listen  
A story I will tell  
As long as your willing  
My life won't be like hell

It's an...

Ace in the hole  
Ball in the glove  
Arrow on the bullseye  
I gotta whole lotta love
