**Loudness**

In the box the sun is blazing Fuel rod that knows no aging Radi  
ates energy that mankind cannot tame The point of no return Cha  
in reaction done

Eternal fire Atomic pyre Power hunger Abysmal desire

Arrogance of mankind Safety myth crumbles into pieces On the lo  
ose Lucifer For their greed and deceit On the rising sun, Black  
rain falls down

Nuclear wasteland Hiding head in the sand Is it too late? Shall  
we blame our fate?
