

## Once in a While

Louis Armstrong

Once in a while will you try to give  
One little thought to me  
Though someone else may be  
Nearer your heart?  
Once in a while will you dream  
Of the moments I shared with you  
Moments before we two  
Drifted apart?  
In love's smoldering ember  
One spark may remain  
If love still can remember  
That spark may burn again

I know that I'll be contented  
With yesterday's memory  
Knowing you think of me  
Once in a while  
In love's smoldering ember  
One spark may remain  
If love still can remember  
The spark may burn again  
I know that I'll be contented  
With yesterday's memory  
Knowing you think of me  
Once in a while
