

Stardust

Louis Armstrong

Sometimes, I wonder why I spend
Such lonely nights
Oh baby, lonely nights

Dreaming of a song
The melody haunts my reverie
And I am once again with you

When our love was new, oh baby
And each kiss, an inspiration
Now that baby, you know was long ago

Oh, beside a garden wall
When stars are bright
You are in my arms

The nightingale tells his fairy tale
A paradise, where roses bloom
Though I dream in vain

In my heart, it will remain, baby
My stardust melody
Oh memory, oh memory, oh memory
