

When You're Smiling

Louis Prima

When you're smiling
When you're smiling
And the whole world smiles with you
And when you're laughing
Oh, when you're laughing
Mmm, man, the sun comes shining through

When you're crying
You bring on the rain
Stop your sighing
Won't you be happy again?
When you're smiling
Keep on smiling
And the whole world smiles with you

When you're laughing
You bring on the joy
Be happy, you've got to groove, my boy
When you're smiling
Keep on smiling
And the whole world smiles with you, oh!

'Cause I'm the sheik of Araby
(With your turban on)
Ooo, your love belongs to me
(With your turban on)
Well, at night when you're asleep
Baby, into your tent I'll creep
(With your turban on)
And the stars that shine above
(Jumpin' as a jaybird)
Will light our way to love
And you'll rule this crazy land with me
I'm the sheik-y man, that's who I be!
