

Just Shine

Lowkey

Yeah Yeah

This is for my sister and my boy D, yeah, for you too

Just shine, shine like you know you can
It's your life and I can't hold your hand
You never know when your time will be done
So just shine, shine brighter than the sun
Just shine, there's nothing you've got to hide
Show the world you've got inside
Cause you've only got one time
Just shine

Blad we go so far back we had mad fights nowadays we both laugh at
You the only one that stuck with me through the thick and thin
But I took you for granted and that's the wickedist ting.
I trust you and that's all I can ask for, So my marge is your marge blad my
yard's yours
People think i'm too hard on you but don't rap if there's suttin that you ca
n rather do
If you do wanna rap, then show me why, there's no time to be intimid blad do
n't be shy
You can't use them stupid excuses with me because there's so much more than
you can achieve
Just come out of your shell, don't be ashamed of your skill, be proud of you
rself
Listen I ain't going on fuckery, but I want you to have success as much as m
e
I don't want you just being my hype man trust me blad you can bust if I can
When I see you lacking focus I get qutie mad, you should be getting the expo
sure that i've had
If you don't want it, that's cool with me, you ain't just some breh that wen
t school with me
I'm a person you've got nothing to prove to and I know nowadays I don't chec
k you as much as I used to

Just shine, shine like you know you can
It's your life and I can't hold your hand
You never know when your time will be done
So just shine, shine brighter than the sun
Just shine, there's nothing you've got to hide
Show the world you've got inside
Cause you've only got one time
Just shine

For my sister ... Aisha, my beautiful survivor, from now on I do my best to
be nicer
My brother left us with a burden that we carry but you were born to shine yo
u deserve to be happy
I know I play my music loud when you're trying to sleep but i'll do anything
just to seeing you smilin' at me
When I look in those big brown eyes, I know without you i'm like clouds with
out the sky
When I was young I would steal your sweets and take your money, no matter ho
w much I met you with hate you'd love me
You used to draw in the corner and just think quietly, your determination an
d strength has inspired me
Time flies and now we're both grown up, but it's unfair that you've been thr

ough so much

But please don't let it get you down, don't let the past upset you now

Cause the mind gets tortured by over-

analysis, look your gorgeous you know that you're talented

Do all the things that you love to do, there ain't a man on this Earth good enough for you

When I say we can get hit by a comet, this is honest, live for today cause tomorrow isn't promised

If you need me, never try to hesitate, i'm here for you, anytime, any place

Just shine, shine like you know you can

It's your life and I can't hold your hand

You never know when your time will be done

So just shine, shine brighter than the sun

Just shine, there's nothing you've got to hide

Show the world you've got inside

Cause you've only got one time

Just shine
