

## Long Live Palestine 3

Lowkey

As you prepare your breakfast, think of others  
Do not forget to feed the pigeons  
As you wage your wars, think of others  
Do not forget those who fight for peace  
As you pay your water bill, think of others, those who are nursed by clouds  
As you return home, to your home, think of others  
Do not forget the people of the camps  
As you sleep and count the stars, think of others, those who have nowhere to sleep  
As you liberate yourself with metaphors, think of others, those who have lost the right to speak  
As you think of others far away, think of yourself and say "if only I were a candle in the night"

This is for Palestine, Al-Quds, the capital Jerusalem  
Unarmed people marching to the wall and they're shooting 'em  
Suppression is a question, resistance is the answer  
Long live Palestine, long live Gaza  
Palestine, Al-Quds, the capital Jerusalem  
Unarmed people marching to the wall and they're shooting 'em  
Suppression is a question, resistance is the answer  
Long live Palestine, long live Gaza

All you see is war every time you turn your head at night  
There's bloodshed on the floor, mother cries, who dies for her this time?  
There's truth between these walls  
See the lies between the lines they hide  
Where's the bullet coming from? From the tyrant dressed in our disguise

I'mma ride until the end even if I get the push back for all my friends  
Cah you know that I'm a fighter, let me see your lighter and we not gon' stop til Palestine is free  
But you still know that I'mma ride until the end even if I get the push back for all my friends  
Cah you know that I'm a fighter, let me see your lighter and we not gon' stop til Palestine is free

Taught to not love, taught to be blind, taught to not care  
Tell me what's real? Borderlines, military despair  
How to exist if there's no ways to be human in fear  
And if you take away our home  
Where's the house supposed to live?  
Taught to not love, taught to be blind, taught to not care  
Tell me what's real? Borderlines, military despair  
How to exist if there's no ways to be human in fear  
And if you take away our home  
Where's the house supposed to live?

Free my people, long live Palestine  
We will never let you go  
Sing it with me now  
Free free Palestine, free free Palestine  
Free free Palestine, free free Palestine  
Free free Palestine, free free Palestine  
Free free Palestine, free free Palestine

If Ibrahim Abu Thuraya could resist without a wheelchair

10 year challenge, tell Regev we are still here  
And tell that killer Netanyahu he should feel fear  
The old live through us and guarantee the children will care  
Criminal, not invincible and you know it  
Samidoon, samidoon, still sitting in there stoic  
May not feel us with you when you listen to our poems  
You inspire humanity, your resistance is heroic  
Regardless of talk, it is time we answer the call  
Through your strength of spirit, you provide example for all  
How to live, how to love when attacked from the clouds above  
Loud and clear, the songs you sung can't be drowned by the sound of guns  
Or just watch your tragic times through a satellite dish  
The least that we can give you is an anthem like this  
They panicked, tried to analyse and sanitise this  
But we love you more than ever, still Palestine lives

Free my people, long live Palestine  
We will never let you go  
Sing it with me now  
Free free Palestine, free free Palestine  
Free free Palestine, free free Palestine  
Free free Palestine, free free Palestine  
Free free Palestine, free free Palestine

No change, no  
Run away your way, oh  
All the hate you face, oh  
Time to change this stadium  
No change, no change, no  
Run away your way, oh  
All the hate you face, oh  
Time to change this stadium  
No change, no change, no

Continuing oppression of the Palestinian, encircling of the people of Gaza  
Killing of civilians, the burning of bones, the daily oppression, the theft  
of land  
The apartheid system in the West Bank where there are two road systems and I  
've been and I'm sure you have  
And you see the... the Israeli road, you see like a spanking new highway jus  
t the settler cars going backwards and forwards  
Then you see the old Palestinian roads  
And it clearly... it's people living under two sets of rules, an apartheid s  
ystem  
So all this is being uncovered and the boycotts, and divestment and sanction  
s campaign which I support and I'm sure many other people do as a peaceful p  
rotest against the Isreali oppression  
To poor groups who've got to keep proclaiming the rights of the Palestinians  
are the right to return  
The right to their... erm... the right to their homeland really  
And... erm... and the theft of land, Israel is breaking international law, i  
t is breaking the Geneva Conventions
