

Into the Wild

LP

Are we on the lonely side
Say oh, oh, oh now
The past long away
Are we so lost in the dark of our hearts
That oh, oh, oh, oh
There's no light of day
No, oh, oh, oh
No, oh, oh, oh

1, 2, 3, 4!

Somebody left the gate open
You know we got lost on the way
Come save us a runaway train gone insane

How do we, how do we not fade...
How do we, how do we, how do we not fade away
How do we, how do we, ooooh

Into the wild
How are we living living living
Into the wild
How are we living living living

Oh please believe me
I'm more scared than not
That, whoa, this isn't the way
And please be there I can barely hang on
Whoa, oh, oh, I wait 'til I break
Hey, eh, eh, eh...

Somebody left the gate open
You know we got lost on the way
Come save us the runaway train gone insane

How do we, how do we not fade...
How do we, how do we, how do we not fade away
How do we, how do we, ooooh

Into the wild
How are we living living living
Into the wild
How are we living living living

Into the wild
How are we living living living
Into the wild
How are we living living living
