Oh, you the queen
You're the king
We got our aces out
You the queen
You're the king
We got our aces out

Roll the dice on tonight go and roll 'em out
Give me more than enough to go smile about (aye, aye)

I got all I need in a world of doubt
We got our champagne dreams in an endless drought
We are the kings and queens seeking our aces out
We got all we need, no new friends now
