You, you say, you have lost the way Got no aim, just living for today Look up to the sky above And see the morning sun again You got so much power inside So cry it out my friend I'm alive, I'm alive I'm alive, I'm alive There's no use in hanging all around You're a king, can't you see your crown? Look into my eyes So many things are waiting to be done You just need a friend Together we will sing along I'm alive, I'm alive I'm alive, I'm alive Look into my eyes So many things are waiting to be done You just need a friend Together we will sing along I'm alive, I'm alive I'm alive, I'm alive I'm alive, I'm alive I'm alive, I'm alive I'm alive
