

# Ain't So Lonely

Lucero

She smiles oh so sweetly and I ain't so lonely  
She acts like she don't need me and I ain't so lonely

We drive down to the corner drugstore  
And I ain't so lonely  
I ain't so lonely  
Coca-cola and pills take a few more  
And I ain't so lonely  
I ain't so lonely

It's been a while since I was nineteen  
It's been a while since I've seen myself act like such a fool  
How long must this go on tonight

By myself on the long drive home  
I ain't so lonely  
I ain't so lonely  
Cause I like hearing the sad songs  
And I ain't so lonely  
I ain't so lonely

It's been a while since I was nineteen  
It's been a while since I've seen myself act like such a fool  
How long must this go on tonight

It's been a while since I was nineteen  
It's been a while since I've seen myself act like such a fool  
How long must this go on  
How long must this go on tonight
