

The Weight Of Guilt

Lucero

You're gonna sink wearing that heart of gold
You're holding fast son you better let it go
The weight of guilt son's gonna drag you down
You better let it go else you're gonna drown
A heavy cross'll make a brighter crown
You carried the burden now just set it down
The weight of guilt and a tired soul
Too great a weight to carry on your own

If you can't bear no crosses you can't wear no crown
