

# Concrete And Barbed Wire

Lucinda Williams

**G**  
This wall divides us  
**C** **G**  
On two different sides  
**C** **G**  
But this wall is not real  
**C** **G**  
How can it be real  
**D** **G**  
It's only made of concrete and barbed wire  
**C** **G**  
Concrete and barbed wire  
**C** **G**  
Concrete and barbed wire  
**D** **G**  
It's only made of concrete and barbed wire  
**G** **C** **G**  
Back in Algiers my darling broke my heart  
**D**  
But he can't seem to break down this wall  
**G** **C** **G**  
With two strong hands he couldn't move it at all  
**D** **G**  
And it's only made of concrete and barbed wire  
**C** **G**  
Concrete and barbed wire  
**C** **G**  
Concrete and barbed wire  
**D** **G**  
It's only made of concrete and barbed wire  
**G** **C** **G**  
Down in Opelousas dogs are at the gate  
**D**  
And they're mean lord they're mean  
**G** **C** **G**  
There's a wall between us but it's not what is seems  
**D** **G**  
It's only made of concrete and barbed wire  
**C** **G**  
Concrete and barbed wire  
**C** **G**  
Concrete and barbed wire  
**D** **G**  
It's only made of concrete and barbed wire  
**G** **C** **G**  
Somewhere in Louisiana my sugar's doing time  
**D**  
But he can't spend time with me  
**G** **C** **G**  
It he could get over this wall he'd see  
**D** **G**  
That it's only made of concrete and barbed wire  
**C** **G**  
Concrete and barbed wire

**C** **G**  
Concrete and barbed wire

**D** **G**  
It's only made of concrete and barbed wire

**C** **G**  
Concrete and barbed wire

**C** **G**  
Concrete and barbed wire

**D** **G**  
It's only made of concrete and barbed wire
