

# Without You

Lucy Pearl

Girl you know I want you  
And I don't know what to do without you  
All I know is I love you girl  
And you need me just like I need you

And I want you baby  
No matter what you do  
I will hold on to you  
You should stay down for me

Follow your heart and you will see  
You will see  
Without you  
I can't walk I can't talk

What can I do  
Without you  
I can't eat I can't sleep  
What can I do

Without you  
Nowhere to go nowhere to turn  
What can I do  
Without you

Without you without you  
Try to imagine me and you  
Hand in hand as we watch the moon  
It doesn't matter where we are

'Cause you are always in my heart  
'Cause you are always in my heart yeah yeah  
Without you  
I can't walk I can't talk

What can I do  
Without you  
I can't eat I can't sleep  
What can I do

Without you  
Nowhere to go nowhere to turn  
What can I do  
Without you

Without you without you  
Girl yeah yeah  
I love you yeah yeah  
You need me too

You know I want you  
I want you  
Girl I know  
You want me too

You know you need me  
You need me

Girl you know that  
I need you too

You know you love me  
You love me  
Girl you know that  
I love you too

You know you love me  
what else what else  
Meant to be  
You see I love you baby

You know I want you baby  
And you want me too  
You know I need you baby  
And you need me too

You know I love you baby  
And you love me too  
Without you  
I can't walk

I can't talk  
what can I do  
Without you  
I can't eat

I can't sleep  
What can I do  
Without you  
I'll know one day what to do girl

Without you  
Without you without you  
Girl yeah yeah  
I don't know which way to go

Which way to turn  
Without you  
I don't even know myself sometimes baby  
Without you

I know one day what to do girl  
Without you  
Without you without you  
Girl yeah yeah
