

Baby I Need Your Loving

Lulu

Baby, I need your loving
Baby, I need your loving

Although you're never near
Your voice I often hear
Another day, another night
I long to hold you tight
'Cause I'm so lonely

Baby, I need your loving
I got to have all your loving
Baby, I need your loving
Got to have all your loving

Some say it's a sign of weakness
For a girl to beg
Then weak I'd rather be
If it means having you to keep
'Cause lately, I've been losing sleep

Baby, I need your loving
I got to have all your loving
Baby, I need your loving
Got to have all your loving

Empty nights
Echo your name
Sometimes, I wonder
Will I ever be the same

When you see me smile
You know
Things have gotten worse
Any smile you might see
Has all been rehearsed

Darling, I can't go on without you
This emptiness won't let me live without you
This loneliness inside me, darling
Makes me feel not alive

Baby, I need your loving
I got to have all your loving
Baby, I need your loving
Got to have all your loving

Baby, I need I need your loving
I got to have all your loving
Baby, I need your loving
Got to have all your loving

Baby, I need your loving
Got to have all your loving

Baby, I need your loving
