You would never know
If you could ever be
If you never try
You would never see
Stayed in Africa
We ain't never leave
So there were no slaves in our history
Were no slave ships, were no misery, call me crazy, or isn't he
See I fell asleep and I had a dream, it was all black everything

Uh, and we ain't get exploited White man ain't feared so he did not destroy it We ain't work for free, see they had to employ it Built it up together so we equally appointed First 400 years, see we actually enjoyed it Constitution written by the W.E.B. Du Bois Were no reconstructions, Civil War got avoided Little black Samo grows up to be a lawyer Extra extra on the news stands Black woman voted head of Ku Klux Klan Malcolm Little dies as a old man Martin Luther King read the eulogy for him Followed by Bill O'Reilly who read from the Quran President Bush sends condolences from Iran Where FOX News reports live That Ahmadinejad wins Mandela peace prize

You would never know
If you could ever be
If you never try
You would never see
Stayed in Africa
We ain't never leave
So there were no slaves in our history
Were no slave ships, were no misery, call me crazy, or isn't he
See I fell asleep and I had a dream, it was all black everything

Uh, and it ain't no projects
Keepin it real is not an understood concept
Yea, complexion's not a contest
Cause racism has no context
Hip hop ain't got a section called conscious
Everybody rappin' like crack never happened
Crips never occurred no Bloods to attack them
Matter of fact no hood to attack in
Somalia is a great place to relax in
Fred Astaire was the first to do a backspin
The Rat Pack was cool group of black men
That inspired five white guys called The Jacksons
Eminem fitted in but then again he inspired a black rapper tryin to
mimic him
And that's what really rose up out of Michigan, the sign of white rapper
by the name of 50 Cent, ha!

You would never know
If you could ever be
If you never try

You would never see
Stayed in Africa
We ain't never leave
So there were no slaves in our history
Were no slave ships, were no misery, call me crazy, or isn't he
See I fell asleep and I had a dream, it was all black everything

Uh, and I know it's just a fantasy
I cordially invite you to ask why can't it be?
Now we can do nothing bout the past
But we can do something about the future that we have
We can make fast or we can make it last
Every woman Queenin' and every man a Kingin'
When those color lines come we can't see between
We just close our eyes 'til it's all black every-THING!

You would never know
If you could ever be
If you never try
You would never see
Stayed in Africa
We ain't never leave
So there were no slaves in our history
Were no slave ships, were no misery, call me crazy, or isn't he
See I fell asleep and I had a dream, it was all black everything
