

# And He Gets The Girl

Lupe Fiasco

Yo  
Hold it now  
Uh  
Get up and walk up to her and say  
(Go over there)  
Hi, that's all you gotta do is say hi  
That's all you gotta do, say hi

Well, I know I'm not the coolest  
And this might sound kind of foolish  
'Cause I know I'm not the smoothest  
Told myself I shouldn't do this

'Cause I'm not very well suited  
Not the popularist of students  
We ain't in the same crowd  
Always see you with the hoopers

But we got the same lunch  
You might see me with the cooler  
That's 'cause I don't eat pork  
You can never be sure  
Oh, you like Linkin' Park  
That's the hat from the tour

I got a autographed shirt  
They wrote, "Much love to ya"  
Man that's really funny  
How we like tha same music  
But I really love jazz

I was gonna play the tuba  
I tried to join tha band  
They said I was really really bad  
Didn't really make me sad

I'm used to being the loser  
But you, I think you're super  
So much I had to pursue ya  
I don't believe the things they say  
Or the football teams rumors

Tha quarterback can't spell  
I'm his after school tutor  
I just took a cue from cupid  
Now I think it's stupid  
I'm sorry

And then I walked away  
Thinkin' that she would never talk to me  
Like what were you thinking?  
Bringing up the band

You would have got a better result  
If would have just beat her up and ran  
You shouldn't have worn your glasses  
Take your shirt up out your pants

See, now it's all over  
And you won't get another chance, damn

I was so close to her  
Then I felt a hand on my shoulder  
She said I know you're not the coolest  
But I swear you are the cutest

And I know you played the tuba  
I seen you at the recital  
It takes a lot to get up there and embarrass yourself  
But you shouldn't put down you should merit yourself

That's just mean you not a punk  
I like the loneliest monk  
Hest the wallpaper on my computer  
I love final fantasy

I hate first person shooters  
(Me too)  
Meteora was nice but I bought Hybrid Theory twice  
Half of tha cheerleading squad is in the stouper

Tha only reason I do it 'cause of my mother  
Took state when she was a junior  
And she want me to du tha same so I'm like naw  
I wanna be an oncologist and diagnose tumors

I gotta a pet parrot his name is Mister Tuna  
My favorite food is fish  
Remember that for the future  
My IM name is Miss Luana, you can hit me after six  
(How you feelin' right now?)

Yes, yes, yes, yes, yes, yes  
Come see more, we have things to do  
(How you feelin' right now?)
