

Hood Now (Outro)

Lupe Fiasco

This one for the hood!

What do you do when it's so unequal?
Wear Michael Jordan's with your tuxedos
It's hood now
It's hood now
Yea, yea
It's a hood now
Public school system only teaching parts
So the school of hard knocks is what make you street smart
You're hood now
Hood now
Yea, yea
Hood now
Open fire hydrant a front the liquor store
Coolin' perm ads all on the billboards
You in the hood now
You in the hood now
That's right
You in the hood now
Ramen noodle soups, you make the best
Water in the milk to make it stretch
That's the hood now
That's the hood now
That's the hood now
That's the hood now
Ivy League was running really well then
They slipped up and let Cornel in
It's hood now

In Miami Beach, it's rich white folks
But Memorial Day, a you know who do the most
