

Words I Never Said

Lupe Fiasco

It's so loud Inside my head
With words that I should have said!
As I drown in my regrets
I can't take back the words I never said
I can't take back the words I never said

I really think the war on terror is a bunch of bullshit
Just a poor excuse for you to use up all your bullets
How much money does it take to really make a full clip
9/11 building 7 did they really pull it
Uhh, And a bunch of other cover ups
Your child's future was the first to go with budget cuts
If you think that hurts then, wait here comes the
uppercut
The school was garbage in the first place, that's on the
up and up
Keep you at the bottom but tease you with the
uppercrust
You get it then they move you so you never keeping up
enough
If you turn on TV all you see's a bunch of "what the f-
cks"
Dude is dating so and so blabbering bout such and such
And that aint Jersey Shore, homie that's the news
And these the same people that supposed to be telling
us the truth
Limbaugh is a racist, Glenn Beck is a racist
Gaza strip was getting bombed, Obama didn't say shit
That's why I aint vote for him, next one either
I'ma part of the problem, my problem is I'm peaceful
And I believe in the people.

It's so loud inside my head
With words that I should have said!
As I drown in my regrets
I can't take back the words I never said
I can't take back the words I never said

Now you can say it aint our fault if we never heard it
But if we know better than we probably deserve it
Jihad is not a holy war, wheres that in the worship?
Murdering is not Islam!
And you are not observant
And you are not a muslim
Israel don't take my side cause look how far you've
pushed them
Walk with me into the ghetto, this where all the Kush
went
Complain about the liquor store but what you drinking
liquor for?
Complain about the gloom but when'd you pick a broom
up?
Just listening to Pac aint gone make it stop
A rebel in your thoughts, aint gon make it halt
If you don't become an actor you'll never be a factor
Pills with million side effects
Take em when the pains felt

Wash them down with Diet soda!
Killin off your brain cells
Crooked banks around the World
Would gladly give a loan today
So if you ever miss payment
They can take your home away!

It's so loud inside my head
With words that I should have said!
As I drown in my regrets
I can't take back the words I never said, never said
I can't take back the words I never said

I think that all the silence is worse than all the
violence
Fear is such a weak emotion thats why I despise it
We scared of almost everything, afraid to even tell the
truth
So scared of what you think of me, I'm scared of even
telling you
Sometimes I'm like the only person I feel safe to tell
it to
I'm locked inside a cell in me, I know that there's a
jail in you
Consider this your bailing out, so take a breath,
inhale a few
My screams is finally getting free, my thoughts is
finally yelling through

It's so loud Inside my head
With words that I should have said!
As I drown in my regrets
I can't take back the words I never said
