

# Ladyfingers

Luscious Jackson

If you need me to be sweet  
then I can give you what you need  
'cause I know you never came first baby  
I'm so tired of my guns and my vanity  
I'd like to trade them in for some sanity  
and I know it didn't come too easy  
It didn't come easy to me either  
from the freezer to believer in love

Well I got ladyfingers baby  
I got kidgloves  
baby I got heart

I bet you didn't know that I could treat you right  
that underneath the armor  
there's another girl  
she's standing with a suitcase  
ready to run  
in case you're wondering  
why she's so quick to come and go  
why she's so quick to come and go  
she might be new, she might be old  
she might be scared as hell  
she might not be so bold  
she might not be so bold
