

Love Is Alive

Luscious Jackson

Feel it
Free it
If you mean it
When you say it
It's not malicious
Love is so sweet and vicious

Love is alive
You can rest assured
Love is alive
You can rest assured

Everybody get up
Everybody get up now
Everybody get up
Everybody get up now

Hunger on you
Here's my attitude
But when the green light flashes
Gotta get up off our asses

Love is alive
You can rest assured
Well love is alive
You can rest assured

So the story goes you lost your chance and walked away
The blood is thick the fictions sick
And can't depict the pain
It's not too tricky not to me
Not too much to see
Chase it down and hold it here
Don't let it go to sea

Well love is alive
You can rest assured
Well love is alive
You can rest assured

Love is alive
You can rest assured
Well love is alive
You can rest assured

Love is alive
You can rest assured
Well love is alive
You can rest assured
