

Yeah Yeah No No

Luscious Jackson

Yeah yeah yeah yeah
Yeah yeah no no yeah yeah
Maybe so
Yeah yeah no no yeah yeah
And maybe so

There once was a girl named Janey Jane
She never could decide on anything
What should she eat for lunch today?
What game should she play?
Should she play dominoes or dolls?
Should she play jacks or basketball?
Her friends are at the lake catching frogs
Should she go along?

And if you ask her a question
This is what she will tell you:

I don't know

Was her favorite color blue?
Or maybe it was purple too?
Was her best friend Madeleine?
Or was it Sheena Rose?
Janey Jane never understood
Why knowing what you want is so good
In the restaurant she gets confused
And she doesn't know what to do

And the waitress can't take it
When she stares at the menu

Janey can't find the answer
But to her it doesn't matter

Yeah yeah no no yeah yeah
And Janey goes:
Yeah yeah no no yeah yeah
And Janey goes:
Yeah yeah no no yeah yeah
And Janey goes:
I don't know
