

I Wanna Be Your Girlfriend

Lush

See that we're so close together
So far we're just friends, but I've been wonder whether

I am just imagining you
Do you really have a thing for me?
Like I think I see when I see you smile and the smile's for me
I've gotta tell ya

Hey you! I want to be your girlfriend
Trying to say I want to be your number one

Hey you! I want to be your girlfriend
Gonna make you love me 'fore I'm done

Late at night when I, when I go sleep
Picture in my mind, I see you and me

I am telling you what I want to be
You, you say you are in love with me

Even though this'll
that I know in life it's just got to be

Hey you! I want to be your girlfriend
Trying to say I want to be your number one

Hey you! I want to be your girlfriend
Gonna make you love me 'fore I'm done.

I'm gonna make you love me
Yeah I'm gonna make you love me
Yeah I'm gonna make you love me from now on

I am just imagining you
Do you really have a thing for me?
Like I think I see when I see you smile and the smile's for me
I've gotta tell ya

Hey you! I want to be your girlfriend
Trying to say I want to be your number one

Hey you! I want to be your girlfriend
Gonna make you love me 'fore I'm...

Hey you! I want to be your girlfriend
Hey you! I want to be your girlfriend
Hey you! I want to be your girlfriend
Gonna make you love me

Yeah, I'm gonna make you love me
Yeah, I'm gonna make you love me 'fore I'm done.
