## **Last Night**

And even in your darkest hour The recipe I cook for you Can release its latent power And make your body feel brand new

Can't you hear the music play? Being centre of what you want Try to leave the past behind Memories don't appeal

Ah-oh, all the things we said Ah-oh, all the things we did Ah-oh, all the things that passed Ah-oh, were satisfied

(Conversation)
Philip: So what, what was he like?
Melissa: We went out of the room, sat on the ... walked into th
e
bathroom/berth(?)... I don't remember anything else I had to sa
y...
Philip: Well, that's...very well. They always say that. It's ve
ry moving.
You're not going to get away with it this time, that's for sure
