

## Light From A Dead Star

Lush

He lives his life in a world full of women  
And he takes what he wants  
From their love  
And he throws the rest away

I cling to him and pray  
But still he slips away  
And now it's just too late  
To wish him back again

She won't put up with this life  
So she leaves him  
And she finds someone else  
Falls in love and she travels far away

I say that it's okay  
And swallow all my pain  
And now it's just too late  
To wish her back again

They left me here on my own  
In a nightmare  
And I just can't forgive anymore  
So I smile and turn away

Don't listen when they say  
They wish that I could stay  
And now it's just too late  
To wish me back again
