Sometimes I move in chains But I never feel the pain I wish I could explain Sometimes Sometimes it goes so fast I try to make some moment last I watch it slippin' past Sometimes I get this infernal need I'm losin' ground Gotta make up speed Right now Something's there just out of reach Something I'm not sure I need Something I just can't let be Touchin' something deep in me Sometimes burnin' bright In the dark heart of the night

I think I see a light Sometimes Sometimes I hear the sound Of some night train leavin' town I want to chase it down Sometimes I want to catch that train I want to get on board I want to ride away to some distant shore Right now I want to leave behind this hopeless maze Of broken dreams and endless days I want to wake up some place far away I wanna wake up to a brand new day Sometimes Sometimes I move in chains But I never feel the pain I wish I could explain Sometimes Sometimes it goes so fast I try to make some moment last I watch it slippin' past Sometimes I watch it slippin' past Sometimes
