

# Even When I Don't

Lydia

I got the same face  
I played it off safe  
I'm kicking up dust  
You smile when you cuss  
Your shadow dancing  
Over the concrete

See I'm gonna lay here 'til I sink right through  
See I'm gonna lay here 'til I  
And I can't stop it  
All the nights with hands around my neck

I see you  
Even when I don't  
Even when I don't  
Even when...  
Feels like I never left here  
I see you  
Even when I don't  
Even when I don't  
Even when...  
Funny how I forget it  
I see you

One hand on my face  
And the other one shaking  
You pull at my sleeve  
And I point at the street  
Your shadow dancing  
Over the concrete  
That rain on your cheek  
That's something to see

I'm gonna lay here 'til I sink right through  
See I'm gonna lay here 'til I  
And I can't stop it  
All the nights with hands around my neck

I see you  
Even when I don't  
Even when I don't  
Even when...  
Feels like I never left here  
I see you  
Even when I don't  
Even when I don't  
Even when...  
Funny how I forget it

And the car that I would crash with you  
I don't know these days I'm always counting too  
In the car that I would crash with you  
I don't know these days I'm always counting too

And I can't stop it  
All the nights with hands around my neck  
I'd do it all again

I'd do it all again, I'd do it all again

I see you  
Even when I don't  
Even when I don't  
Even when...  
Feels like I never left here  
I see you  
Even when I don't  
Even when I don't  
Even when...  
Funny how I forget it
