

# Gypsy

Lydia

Oh, yeah, oh-oh yeah  
If you a gypsy, I'm a gypsy  
Oh, yeah, oh-oh yeah  
If you a gypsy, I'm a gypsy

Cut my feet like I was on the loose  
They didn't tell me what you wanted to  
Well yeah, she got her head on me  
Said I can fall asleep in the neon lights  
That cut under your cheek  
Said "Ain't I what you need?"  
In the neon lights

Oh, yeah, oh-oh yeah  
If you a gypsy, I'm a gypsy  
Oh, yeah, oh-oh yeah  
If you a gypsy, I'm a gypsy

Use the starts while we're moving south  
If you in love just keep your head down  
In the peace yeah the belly low  
Well yeah she got her head on me  
Said I can fall asleep in the neon lights  
That cut under your cheek  
Said "Ain't I what you need?"  
In the neon lights

Oh, yeah, oh-oh yeah  
If you a gypsy, I'm a gypsy  
Oh, yeah, oh-oh yeah  
If you a gypsy, I'm a gypsy

I want your darker self  
Want your whole damn life  
Yeah, I know what its like  
If we're Jekyll'n and Hyde  
I'm a gypsy  
Said oh oh oh  
If you a gypsy, I'm a gypsy

You laughin' while you speak  
Said you in love with me  
In the neon lights  
Yeah, the city never sleeps  
She got her legs round me  
In the neon lights

Oh, yeah, oh-oh yeah  
If you a gypsy, I'm a gypsy  
Oh, yeah, oh-oh yeah  
If you a gypsy, I'm a gypsy

I want your darker self  
Want your whole damn life  
Yeah, I know what its like  
If we're Jekyll'n and Hyde

I'm a gypsy  
Said oh oh oh  
If you a gypsy, I'm a gypsy
