

# Sunlight

Lydia

Pulling off a couple clothes  
Watching colors in the snow  
You were laughing at me in your sleep  
All wrapped up inside these sheets

Tell me you love me like you used to, yeah well  
Tell me you love me like you used to, yeah  
Talking that shit like you don't love to  
Said you do it well, you do it well

I'm rolling down that fire road like a stone  
You're just my favorite motherf\*cker I know  
Let's drink a few more till this house is our home  
I'm thinking you do it well, you do it well

Until the sunlight, hey  
(Until the sunlight) hey  
(Until the sunlight) hey  
(Until the sunlight)  
You do it well, yeah  
Until the sunlight

Got your picture in my bag  
Couple them nights we went too fast  
Yeah you rule it  
Yeah you foolish  
Yeah you knew this  
Keep it low, yeah, keep it low

Tell me you love me like you used to, yeah well  
Tell me you love me like you used to, yeah  
Talking that shit like you don't love to  
Said you do it well, you do it well

I'm rolling down that fire road like a stone

You're just my favorite motherf\*cker I know  
Let's drink a few more till this house is our home  
I'm thinking you do it well, you do it well

Until the sunlight, hey  
(Until the sunlight) hey  
(Until the sunlight) hey  
(Until the sunlight)  
You do it well, yeah  
Until the sunlight

Tell me you love me like  
Tell me you love me  
Tell me you love me like you used to  
I'll tell you I love you like  
Tell you I love you  
Tell you I love you like I want to

Well ain't you looking good where you stand  
Yeah while that snow was falling over your head  
So you opened up your mouth, let 'em in

I'm thinking you do it well, yeah (Yeah I know, I know, I know)

I'm rolling down that fire road like a stone  
You're just my favorite motherf\*cker I know  
Let's drink a few more till this house is our home  
I'm thinking you do it well, you do it well

Until the sunlight, hey  
(Until the sunlight) hey  
(Until the sunlight) hey  
(Until the sunlight)  
You do it well, yeah  
Until the sunlight
