

The Exit

Lydia

We drove right past the exit,
And nobody even said a thing.
'Cause the light in your eyes,
They started dancing for my brain.
'Cause I know,
You're all about the world and when it's ending.
And I know, yeah,
'cause you whispered it right to me.

Just where the hell were you?
I've just been sitting here counting ghosts.
And you look scared again.
Just sing it out loud, it'll sound like this:
Oh oh, oh, oh oh.
Oh oh, oh, oh oh.

They spoke it quite softly
I can't come west until the spring.
But all I could hear is you,
Because my head it's been spinning.
And I know you're all about the world and when it's ending.
And I know, yeah,
'cause you whispered it right to me.

Just where the hell were you?
I've just been sitting here counting ghosts.
And you look scared again.
Just sing it out loud, it'll sound like this:
Oh oh, oh, oh oh.
Oh oh, oh, oh oh.

If you know. If you know.
Live it up.

I don't hang this cross for him,
I hang it for my mother's grin.
If I wasn't so far away,
I'd ask my pops if he's free today.
But everyone, everyone here looks like they're on their own.
I like your style.
I like your style.
Let's just have some fun.

Yeah, I've just been sitting here counting ghosts.
And you look scared again.
Just sing it out loud, it'll sound like this:
Oh oh, oh, oh oh.
Oh oh, oh, oh oh.
Just sing it out loud, it'll sound like this. (Oh oh, oh, oh oh)
Just sing it out loud, it'll sound like this. (Oh oh, oh, oh oh)
