

# I'm Going to the Place

Lyle Lovett

Sing praise the Lord  
Sing hallelujah  
Sing praise the Lord  
Sing hallelujah  
Sing praise the Lord  
Sing hallelujah  
I'm going to the place  
Our father has made

Sing praise the Lord  
Sing hallelujah  
Sing praise the Lord  
Sing hallelujah  
Sing praise the Lord  
Sing hallelujah  
I'm going to the place  
Our father has made

When I was a little baby  
Sitting on my mama's knee  
She told me, "son, if you cast your eyes up to heaven  
Heaven is what you'll see"

And she sang  
Sing praise the Lord  
Sing hallelujah  
Sing praise the Lord  
Sing hallelujah  
Sing praise the Lord  
Sing hallelujah  
I'm going to the place  
Our father has made

Thought I walk through  
Death's dark valley  
On that road of misery  
I just keep my eyes on heaven  
Heaven is where I'll be

Praise the Lord  
Sing hallelujah  
Sing praise the Lord  
Sing hallelujah  
Sing praise the Lord  
Sing hallelujah  
I'm going to the place  
Our father has made  
...

I'm going to the place  
Our father has made
