

I'm Going to Wait

Lyle Lovett

Oh my brother, you've gone before me
And how I long to be with you
But through my sorrow
As I remain here
There is only one thing that I can do

So I'm gonna to wait (I'm gonna to wait)
Just a little bit longer (just a little bit longer)
I'm gonna pray (I'm gonna pray)
On bended knee (bended knee)
I'm gonna to wait (I'm gonna to wait)
Just a little bit longer (just a little bit longer)
Until my Savior (Savior comes for me)
He comes for me

Now I have faith
Built on a mountain
Greater than
A mustard seed
If I wait
Just a little bit longer
I know my Savior (Savior will come for me)
Will come for me

So I'm gonna to wait (I'm gonna to wait)
Just a little bit longer (just a little bit longer)
I'm gonna pray (I'm gonna pray)
On bended knee (bended knee)
I'm gonna to wait (I'm gonna to wait)
Just a little bit longer (just a little bit longer)
Until my Savior (Savior comes for me)
He comes for me

If I die
I'll go to heaven
And my Savior
I'll surely see
But if I wait (if I wait)
Just a little bit longer (just a little bit longer)
I know my Savior (He will come for me)
Will come for me

So I'm gonna to wait (I'm gonna to wait)
Just a little bit longer (just a little bit longer)
I'm gonna pray (I'm gonna pray)
On bended knee (bended knee)
I'm gonna to wait (I'm gonna to wait)
Just a little bit longer (just a little bit longer)
Until my Savior (Savior comes for me)
He comes for me

I'm gonna to wait (I'm gonna to wait)...
