

# He Even Woke Me Up To Say Goodbye

Lynn Anderson

Morning comes and Lord my mind is aching sunshine standing quietly at my door  
Just like the dawn my heart is silently breaking  
With my tears it goes tumbling to the floor  
Once again the whole town will be talking Lord I've seen the pity that's in their eyes  
They could never understand it's his sorrow not another woman  
And no matter what they say I know he tried  
Baby's packed everything and he's left me he's left me  
And I know he didn't mean to make me cry  
It's not his heart Lord it's his mind he didn't mean to be unkind  
Why he even woke me up to say goodbye  
It's not his heart Lord it's his mind he didn't mean to be unkind  
Why he even woke me up to say goodbye goodbye baby
